Payment for services is due at the time services are rendered unless payment arrangements have been approved in advance by the office manager. We accept cash, checks, Mastercard, Visa, and Discover. Returned checks are subject to a $30.00 NSF FEE.

The person that brings the child to the office for the appointment is expected to make payment at the time of service regardless of any custody agreement.

Auto accident claims must be paid at the time of service or be billed through your medical insurance coverage.

We are not providers for Workers' Compensation, and do not do any type of Workers' Compensation paperwork or billing.

We will submit your insurance claims for you with a current signature on file. Your insurance is a contract between you, your employer, and the insurance company. Not all services are a covered benefit. Covered services are based on each individual insurance plan and is the responsibility of the patient to know what services are covered.

Once a claim has been submitted, any remaining balance is your responsibility. For uninsured patients, payment is due at the time of service. If you are experiencing a financial hardship that may affect payment of your account, please contact us for assistance.

I authorize Community Health Care to release all information necessary to secure payment. I understand I am financially responsible for all charges whether or not paid by insurance.
