Welcome to Community Health Care's Online Patient Portal

You will be able to:

- Receive email reminders of upcoming appointments and request non-urgent appointments.
- See the results of tests ordered from the office and view provider comments on the tests.
- Send and receive messages to and from your doctor or nurse practitioner.
- Review your visit summary.
- Receive educational materials from your provider.
  - You will receive an email message from "reminders@eclinicalworks.com" anytime there is a message for you on the portal. Do not reply to this email. It does not go back to your provider's office. You will never be asked to provide personal information from these emails.

How to set up your account:

1. Provide our office staff with your email address. An email will be sent to you with information on how to set up your portal account.
2. Follow the instructions to complete your account set-up.
3. After you set-up your account, you will be directed to our welcome page.
4. On the left side of the screen, you will see a menu of available options.

Should you have any difficulty with the portal, please call our office and we will assist you.
